

PROJECT NAME: Shelter Residence for Women and Children

RECIPIENT: Salt Lake City YWCA

LOCATION: Salt Lake City, Utah

PURPOSE:

The YWCA's facility in downtown Salt Lake City is currently undergoing major expansions that will double its size within the next three years. In addition, this expansion will strengthen its programs, and enhance the services it provides to victims and families scarred by domestic violence. The requested funds will assist in providing the necessary levels of staffing in the new shelter and residence, which will allow the facility to serve more families.

AMOUNT: \$500,000
